any exposure to Barrie. I wasn't sure what to expect. I think it could be a very big holiday for me. Like it's going to be my Santa Clause. My gift arrived in a really cool envelope. It had a little story. I like to open presents on Christmas Eve so that I'm not too tired to open them. I opened this on Christmas Eve. I thought it was a little cool that I could put it in my bedroom! My santa sent a sweet little message to me. It was a nice touch. It made me happy. My Secret Santa was so thoughtful. I couldn't believe it. It was awesome. Thank you so much, my Santa. You made me feel so special. I love it. You're the best Santa, ever. Its hard to get a firm grasp on the future if you watch today's news. And on that note, a class action lawsuit was filed today over the new MacBook Air. Weighing in at approximately 60 pounds, the 11-inch model will cost a mere \$999. The 12-inch model will be \$1,249. The 13-inch MacBook Air will run \$1,599, with its Retina Display. If all that sounds like a lot to spend on a laptop, you'd be right. But there's a catch. This is not your run-of-the-mill 82157476af
